

3 - 5 May 2011 in Cologne (Germany)

CALL FOR PAPERS

ANGA Cable – Europe's leading Trade Fair for Cable, Broadband and Satellite will take place from **3 to 5 May 2011 in Cologne (Germany)**. In 2010, 395 exhibitors and over 15,000 visitors from 73 countries came to the ANGA Cable Show.

Last year, also more than **1,500 participants** attended the congress featuring panels about up-to-date strategic and technical topics. There will be a German/English, English/German simultaneous translation.

For the ANGA Cable Congress 2011 submission of proposals for the technology panels is requested.

Please take **note of the following**:

- The lecture should address trade visitors from the industry.
- Mere company or product presentations are not welcome.
- Each company may hand in a maximum of two abstracts.
- Topics must be suited for presentations within a time limit of 20 minutes.
- Each proposal should be described by a title and an abstract. In addition, the key message of the presentation (one sentence) is required. The organizer may use all details for press releases.
- **Deadlines for your contributions:**
 - **16 August 2010:** Submit proposal
 - **6 December 2010:** Your details for the brochure: Presentation title, full name, company name, job title
 - **11 April 2011:** Your presentation (as PDF and PPT) to guarantee a fluent procedure of the panel (the PDF version will be available on our website in a password protected area)

The **technology panels** will focus on cable, broadband and satellite:

1. IP based technologies
IP V6, Aps, IPTV, Unicast and Multicast streams, personalized services, etc.
2. Technologies for signal transmission
DVB-C(2), DVB-S(2), DVB-T(2), LTE, DOCSIS, WiMAX, WLAN, Gigabit Ethernet, FTTx, LAN, optical transmission, xDSL, POF, PON, PLC, MoCA, signal processing, satellite transport and distribution technology
3. Next Generation Services
HbbTV, HDTV, 3DTV, audio, multiplexing, ad in insertion, MPEG solutions, interfaces, STB, screens, DVB signalling, HDMI, aspect ratios
